Cookies

This website uses cookies. Cookies are files sent by web servers to web browsers, and stored by the web browsers. The information is then sent back to the server each time the browser requests a page from the server. This enables a web server to identify and track web browsers.

There are two main kinds of cookies: session cookies and persistent cookies. Session cookies are deleted from your computer when you close your browser, whereas persistent cookies remain stored on your computer until deleted, or until they reach their expiry date. If you'd like to learn more cookies visit <http://www.aboutcookies.org>.

We use cookies on this website for the following reasons:

Analysing web traffic

This allows us to see how the site is performing and so we can optimise the experience for all our visitors. We're also able to see where our visitors are located (by city or town - not specific location) and what type of technology they are using (devices & web browsers).

We don't collect any personal identifiable data through cookies and we do not share any data collected through cookies with any third parties.

Cookies We Use

Google Analytics

Google Analytics generates statistical and other information about website use by means of cookies, which are stored on users' computers. The information generated relating to our website is used to create reports about the use of the website. Google will store and use this information. No personally identifiable information is recorded through Google Analytics. Google's privacy policy is available at: <http://www.google.com/privacypolicy.html>

Information we collect

In running and maintaining our website we may collect and process the following data about you:

Information about your use of our site including details of your visits such as pages viewed and the resources that you access. Such information includes traffic data, location data and other communication data.

Information provided voluntarily by you when you complete our enquiry form.

Use of your information

We use the information that we collect from you to provide our services to you. In addition to this we may use the information for one or more of the following purposes:
To provide information to you that you request from us relating to our products or services.
To provide information to you relating to other products that may be of interest to you.
Such additional information will only be provided where you have consented to receive such information.

Consent

By completing our enquiry form consent has been provided by you to allow us to contact you. This consent can be withdrawn by you at any time.
You may also consent to receive marketing and news emails from us. This consent can be withdrawn by you at any time.

Storing your personal data

On completing our enquiry form your details are stored by us on email and web servers. We do our utmost to ensure that all reasonable steps are taken to make sure that your data is treated stored securely.

Unfortunately the sending of information via the internet is not totally secure and on occasion such information can be intercepted. We cannot guarantee the security of data that you choose to send us electronically. Sending such information is entirely at your own risk.

Any data received from enquiry forms may be held indefinitely. If you wish to delete any personal data we hold about you please contact us and we will arrange for it to be removed.

Disclosing your information

We will not disclose your personal information to any other party other than in accordance with this Privacy Policy and in the circumstances detailed below:

In the event that we sell any or all of our business to the buyer.

Where we are legally required by law to disclose your personal information.

To further fraud protection and reduce the risk of fraud.

Third party content

On occasion we include links to, or content from, third parties on this website. Where we provide a link it does not mean that we endorse or approve that site's policy towards visitor privacy. You should review their privacy policy before sending them any personal data.

Legal action

The User's Personal Data may be used for legal purposes by the Data Controller, in Court or in the stages leading to possible legal action arising from improper use of this Application or the related services. The User declares to be aware that the Data Controller may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular services or the collection and processing of Personal Data upon request.

System logs and maintenance

For operation and maintenance purposes, this Application and any third party services may collect files that record interaction with this Application (System logs) or use for this purpose other Personal Data (such as IP Address).

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time. Please see the contact information at the beginning of this document.

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

This Application does not support "Do Not Track" requests.

To determine whether any of the third party services it uses honor the "Do Not Track" requests, please read their

privacy policies.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request that the Data Controller remove the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.
